

SUMMER CHAMBER MUSIC CAMP

AUGUST 2-6 2010

11:00-1:00 pm

For ages 12-20 years

Coaches:

Pat Strange, Strings

Margaret Tufft, Winds

Come take part in a fun week of chamber music. Playing in a small ensemble really develops your listening skills as well as being an enjoyable way to play your instrument with other musicians.

This camp is open to all instrumentalists interested in playing in small chamber ensembles (duo, trio & quartet) with repertoire chosen from classical to contemporary literature. Ensembles will be formed based on playing level and age. Participants must be able to read music and have an intermediate playing level (determined by an informal audition for placement, to be arranged at sign up). A final concert will be performed on Friday, August 6 for family and friends followed by a BBQ. Each participant will also receive a CD of the performance. On Saturday, August 7 all ensembles will take part in a public performance at the Poulsbo Farmer's Market.

Pat Strange BA, MM; brings a rich background of chamber music instruction and professional violin performance to the IMC. She headed the string department at San Jose State Univ. before moving to Bainbridge Island where she has worked extensively with youth and adult chamber ensembles including directing performances of the Bainbridge Symphony Orchestra.

Margaret Tufft; performed on French Horn with the Berlin Philharmonic and has worked throughout Europe and Africa with youth and adult wind ensembles. She is now an established music instructor in North Kitsap where her coaching skills are sought after by wind players throughout the PNW.
